

GLUTEN FREE CORN, QUINOA AND SUNFLOWER BREAD

DOUGH

INGREDIENTS		PREPARATION
PANE PIZZA & FOCACCIA GLUTEN FREE	g 1000	Dough temperature at about 30°C.
CORN FLOUR	g 250	-Mix all the ingredients at medium speed in a planetary mixer fitted with paddle for 5 minutes.
	g 100	-Sprinkle with the mix or with rice, buckwheat or corn flour covering the entire surface. Roll out
SUNFLOWER SEEDS	g 200	the dough creating a 30x40 rectangle.
WATER - AT 37°C	g 1200	-Let it rest for 5-10 minutes at room temperature.
YEAST	g 50	-Break the dough creating turbots of about 100gr and place them over a cloth covered with corn
SALT	g 32	flour or on a tray covered with parchment paper.
		-Let it rise for about 1 hour in the proofer room at 30°C with relative humidity at 60-70%.
		-Flip the loaves and place them over a tray.
		-Bake with plenty of steam at 230°C for about 25 minutes.
		ADVICES: Water temperature must be at 37°C to have best workability, growth and proofing of
		the final product.
