#### PREPARATION

Roll out the dough into a rectangular layer, lay MARBUR CROISSANT onto a half (250g of margarine for 1kg of dough) and fold so that the other half cover the first and the sheet of butter is completely enclosed in the dough. Seal the edges well.

Roll out in order to shape the dough into a rectangle again and make a 3-layer fold, then repeat this step twice, making three 3-layer folds in total.

Let the laminated dough rest in the fridge for 15 minutes before working it.
