ZUCCHERO INVERTITO	g 50	Out of the oven, let it cool down for a few minutes, then cover with plastic sheets to avoid drying
		and store in the fridge until you need to use it.

FINAL COMPOSITION

To make Swiss Roll, overturn the sponge layer, drizzle it with liqueur or soaking syrups, then cover it with a creamy spread (buttercream, custard, ganache or fruit jam).

Roll it up until it reaches the desidered diameter, then finish by coating and decorating with chocolate, creamy toppings, hazelnut nibs, sprinkles, flakes, candied fruit.

For better results, we recommend to refrigerate for a few hours before slicing.
