Place them onto floured boards, with the closure side up, and let them rest for about 15 minutes.

Move onto baking trays and transfer in the proofer room at 28-30°C, with relative humidity of the 70-80%, for about 90 minutes.

FINAL COMPOSITION

Bake the 100g loaves for about 20 minutes and the 500g loaves for 40 minutes, both at 210-220°C with moderate steam.
