

TROPICAL CRUNCHY PRALINE

PRALINE FILLED WITH A CRUNCHY AND ANHYDROUS TROPICAL FILLING.

DIFFICULTY LEVEL B B

CHOCOLATE OUTER SHELL

INGREDIENTS		PREPARATION
SINFONIA CIOCCOLATO BIANCO 33%	To Taste	Using an air pump, spray the interior part of a polycarbonate pralines mould with yellow-colored
		cocoa butter (tempered at 28°C).
		Remove the excess and let it crystallize completely.

shell.

TROPICAL CRUNCHY FILLING

INGREDIENTS		PREPARATION
PRALIN DELICRISP TROPICAL	g 400	Blend together all the ingredients and use it at 28°-30°C.
SINFONIA CIOCCOLATO BIANCO 33% - MELTED AT 40°C	g 100	

FINAL COMPOSITION

Stuff the chocolate outer shell with the crunchy filling and let crystallize.

Close the chocolate outer shell with SINFONIA CIOCCOLATO BIANCO tempered and let it crystallize.

Wait until the pralines are completely crystallized before removing them from the mould.

Once crystallized, use tempered SINFONIA CIOCCOLATO BIANCO to create a chocolate outer
